PLEASE MAKE SURE YOU ONLY USE THESE ARTICLES TO PROMOTE EITHER:

- Magnetic Messaging
- Ex Back Experts

## **Guideline 1:**

Please make sure you don't use them to promote others. We have tried to make things easy for you, we hope you appreciate the effort.

## **Guideline 2:**

Make sure you rewrite the WHOLE THING, duplicate content won't help you. Other affiliates will use these articles (plus they have been indexed already on our own sites), so it's only going to harm you and waste your time if you don't rewrite them properly.

## **Guideline 3:**

Make sure you include the desired keyword that you target in the:

- heading of the article
- have a keyword density of 1%

This is important if you don't want to do SEO and get backlinks. You have to have good on page optimisation for the search engines to know what keyword you are targeting.

## **Guideline 4:**

Make sure you include a call to action at the bottom of that article that hits them emotionally.  
Make sure you scare them or spike their curiosity to make them want to click on your link:

- If you're promoting Magnetic Messaging - If you want more information about how to text a girl, including the 3 things to say to make her want you IMMEDIATELY, click here.
- If you're promoting Ex Back Experts - If you want to avoid your ex ignoring you forever, click here to learn the 7 deadly sins to avoid.

Remember, if you have a boring call to action, you might as well not have one.
